Retail

This chapter digs into the retail functions of JeraSoft Billing. Please be advised that all these functions are available if your JeraSoft Billing installation includes the Retail Module.

In addition to vast wholesale functionality, JeraSoft Billing offers the retail module described in the below sections of this chapter. Each section describes an important aspect of retail-based VoIP business, such as Subscription Packages, DID Inventory, Top-Up Cards, and Call Shops. All of these options are grouped within the **Retail** section of your JeraSoft Billing solution.

The list of sections is as follows:

- Packages
- DID Inventory
- Top-up CardsCall Shops
