Mass Top-up Cards Edit

You may also delete cards or change some settings for already existent top-up cards using the **Mass Edit** button. In the following window, you can specify the expiration date of cards by changing the **Expiration Date** field value to **set to** and selecting data and time. You can also define a reseller, who will be the owner of these cards, by changing the **Company** field value to **set to** and selecting a reseller from a drop-down list, then clicking the **Process** button, after what all changes will be applied. The **Delete all** button will wipe out all existing top-up cards.
