

Rates Section

This chapter has everything to do with **rates management**, and provides information regarding the **rates analysis** and **rates generator** tools of the **JeraSoft Billing**, as well as **agreements** upon rates notifications.

For more details, please check the related sections of our Guide:

- [Rate Tables](#)
- [Rates](#)
- [Special Rates](#)
- [Rates Analysis](#)
- [Rates Generator](#)
- [Agreements](#)
- [Swap Deals](#)
