Overview

- **Dashboard** – displays an overview of a real-time user's balance and last 30 days of executed charges. By clicking on **Refill Balance**, you will be moved to the corresponding **Refill Balance** page. By clicking on **View Details**, you will be forwarded to **Detailed** page.
- **Rates –** shows all rates and allows to easily sort and search them by services.

Billing and Payments

- **Refill Balance** - allows replenishing client's balance by means of configured payment gateways. Currently, the **Client Panel** supports **PayPal** and **Authorize.net** service providers.
- **Redeem Voucher** - allows the user to refill his account by means of top-up cards, specified in **Top-up Cards** section.
- **Payment History** - displays a full history of conducted payments.
- **Charges History** - display a full history of conducted charges.
- **Invoices** - shows all invoices that belong to the user with a possibility to download them.

Usage History

- **Summary** - grants the user a possibility to view the summary report on the executed events, allowing to easily filter data by period, service, account or package.
- **Detailed** - shows detailed statistics about all client's calls, performed within a specified period of time.

Account Settings

- **Profile Settings** - allows the user to update the profile settings, including company name, billing email, address, registration, and tax IDs.
- **Change Password** - allows the user to change his password to the Client Panel.
