## Section overview

This section is designed to create and manage all clients' accounts in the system. Any clients can have an unlimited number of unique accounts. Accounts are a key tool for clients' identification in JeraSoft Billing. The section is presented in the form of a table with the following columns:

*Screenshot: Accounts section*

Accounts									
New Account									
Rows 1 – 2 of 2									
Page 1 of 1									
ID	Client	Account	Name / ANI / IP	Tech Prefix	Orig Details	Term Details			
176	Rose orig	rose_orig	Name: rose_orig		RT: RT ORIG - Rose RP: DR: Complex LCR	RT: TC: — Protocol: — / Proxy: 1 / Port: —			
177	Rose term	rose_term	Name: rose_term		RT: OC: —	RT: TC: — Protocol: — / Proxy: 1 / Port: —			
About   Get Support   0.3081s									
© 2004-2018 JeraSoft. All Rights Reserved.									

Column Name	Description
ID	Account's identification number
Client	Client's name
Account	Account's name
Name/ANI/IP	The way of clients' identification
Tech Prefix	Technical prefix for users' identification
Orig Details	Originator settings
Term Details	Terminator settings

### Attention

- It's possible to add multiple accounts with the same IP address and different protocols/ports.
- When you **delete an account** from the system, all **associated statistics will be removed, amounts will be refunded and the client's balance will increase**. We recommend deactivating useless accounts instead of completely deleting them from the system. You can deactivate an account by disabling **Originator/Terminator Settings** checkboxes.

The section contains the respective list of functional buttons and icons.

Button/Icon	Description
	Allows creating a new client's account
	Allows filtering accounts by a specified client
	Allows viewing specified client's profile in the <a href="#">Clients</a> section
	Allows viewing client's change history in the <a href="#">Audit log</a> section

	Indicates that the Orig/Term rate table or routing plan is assigned to an account
	Allows deleting an account from the system

## Advanced Search

Use the **Advanced Search** drop-down menu for fast navigation in the section (for instance, displaying accounts belonging to a certain client) by clicking on a red downward arrow  icon.

You can start a quick search by typing your keywords into a target field and clicking the **Search** button.

*Screenshot: Advanced Search drop-down menu*

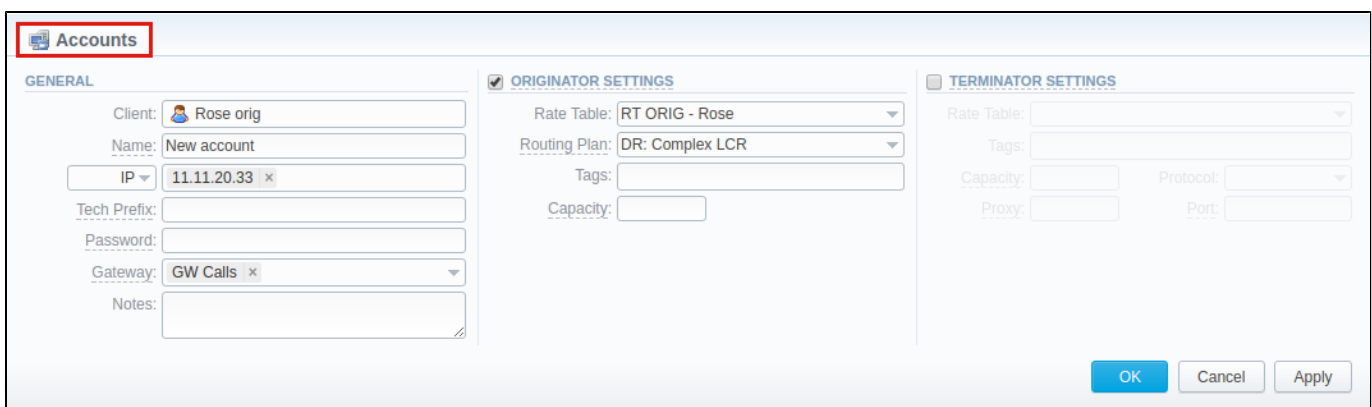

The screenshot shows the Advanced Search form with the following fields and controls:

- Name / ANI / IP:** Text input field
- Tech Prefix:** Text input field
- Origination:** Checkable box
- Orig Rate Table:** Dropdown menu
- Routing Plan:** Dropdown menu
