Date: 2019-01-04 10:09:32+0000

Tags:

Service: Calls

Volume: 60 sec

Please select parameters for report

Process

Field	Description
Dst Party ID	Specify Dst number of the event
Src Party ID	Specify Src number of the event
Date	Indicate the event date
Tags	Fill in this field if you wish to specify certain rate tags
Service	Specify a type of service
Volume, (sec)	Specify event volume (seconds, bytes, events, etc.)

 **Attention**

Note that from now on **only** rates with **Active** status can be used to simulate rates. Rates with **Stashed** status will not be displayed.

The results of a simulated event are presented in a table with the following structure:
