

# Mail Queue

## Section overview

**Mail Queue** is a section designed to provide a visual representation of all system emails that have already been sent or are in a queue to be delivered. These emails can contain **invoices**, **low balance notifications** or **other types of messages**. The section is presented in the form of a table with the following columns:

Column Name	Description
ID	Email's identification number
To	A recipient of the email
Subject	Subject of the letter on the list
Type	Certain type of email
Created	Date and time when the email was created

Functional **icons**, presented in the section, are as follows:

Button/Icon	Description
	Icon indicates that respective email is currently in a queue and hasn't been sent yet
	Icon indicates that respective email has already been sent
	Icon indicates that respective email contains an attached file
	Allows deleting an email from the queue. Requires confirmation

### ⚠ Attention

Emails that have been sent **cannot** be deleted from the list; you can delete only those that are currently **in a queue**

## Advanced Search

You can filter data, presented in the section, using an **Advanced Search** drop-down menu. It makes a search filter to limit the search results for higher working efficiency. To open this form, click on a blue downward arrow  icon.
